The graph displays the daily mean temperature (Ganglinie der Tagesmittel) as a solid blue line. A dashed red line indicates the duration of the mean (Dauerlinie der Tagesmittel (erreicht oder überschritten)). The x-axis represents the day of the year (1 to 365) and the months (I to XII). The y-axis represents the temperature in °C (0.0 to 30.0). A horizontal line at 15.0°C is labeled 'Jahresmittel'.
